3 WAYS

Students Can Connect with ANA

1: REGISTER FOR THE WELCOME TO PROFESSION KIT

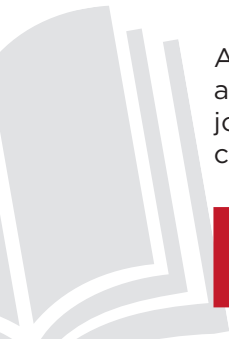

ANA is your go-to resource for trusted information — throughout your entire nursing career. To get you started, we are offering a Welcome to the Profession Kit with valuable resources especially for nursing students, new grads and early-career nurses.

Get your FREE Kit!

Sign up today at www.nursingworld.org/WTPKit

2: BECOME AN ANA STUDENT SUBSCRIBER

ANA's Subscriber program allows nursing students to gain access to member-only information, and as an NSNA member it is absolutely free (a \$10 value). Gain access to ANA's award-winning journals, newspaper and daily news briefs, as well as member only content on ANA's website and convenient access to ANA's Nurse CareerBrief newsletter.

Subscriber Now!**

Sign up for free today at www.anasubscribersignup.org

3: TAKE THE ANA HEALTHYNURSE™ HEALTH RISK APPRAISAL (HRA)

ANA's Health Risk Appraisal is a systematic approach to collecting information from nurses and nursing students. The appraisal identifies health, safety, and wellness risk factors; it provides individualized feedback, and links nurses with interactive wellness resources. The HRA is fun, free, secure, and HIPAA-compliant.

Take the HRA today!
